# Customer Product Release Notes

April 3, 2025

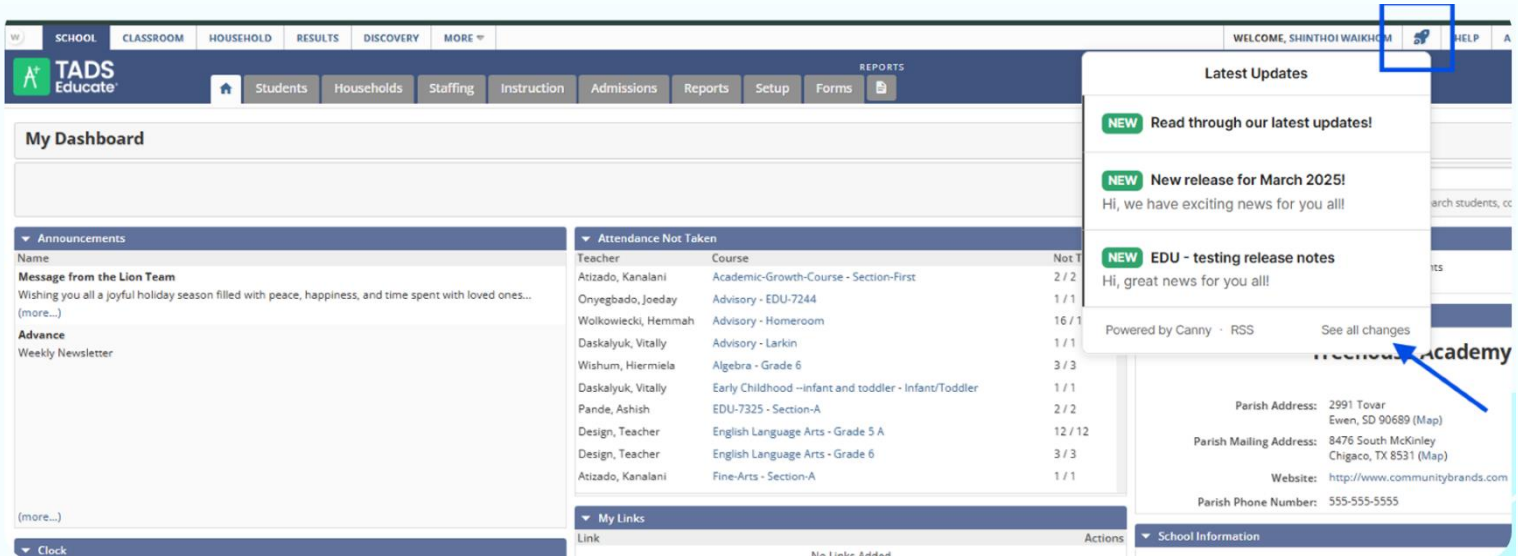

HF v9.5.1

## 1. Easily Access Release Notes

# Read Release Notes From Anywhere Within Educate

- ✦ Login to Educate and look for the new icon shown below. Click the icon to view quick updates or select "See all changes" to access the full release notes.
- ✦ A red dot will appear on the icon whenever a new release is available.

The screenshot shows the TADS Educate dashboard with a 'Latest Updates' pop-up menu. The menu contains the following updates:

- NEW** Read through our latest updates!
- NEW** New release for March 2025!  
Hi, we have exciting news for you all!
- NEW** EDU - testing release notes  
Hi, great news for you all!

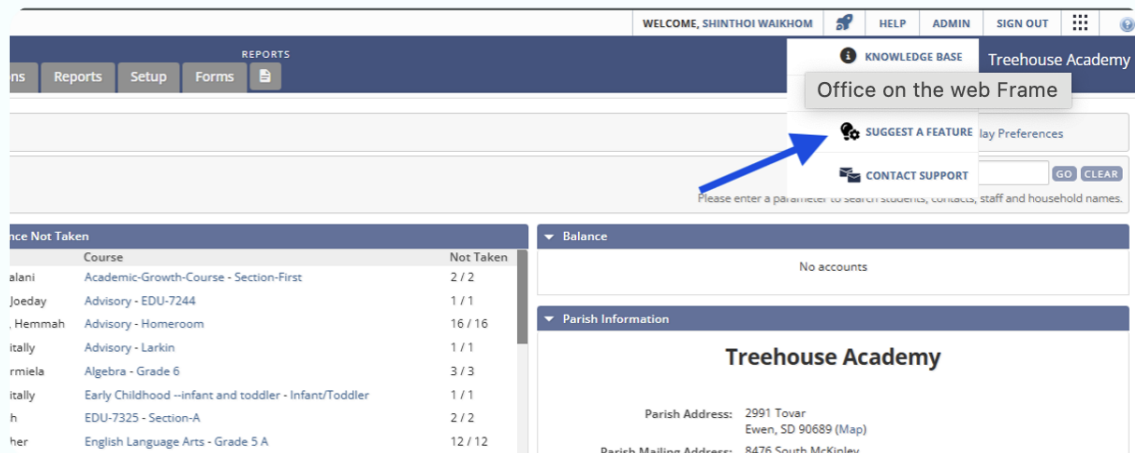

At the bottom of the menu, there is a link to 'See all changes'.

## 2. Make Your Voice Heard

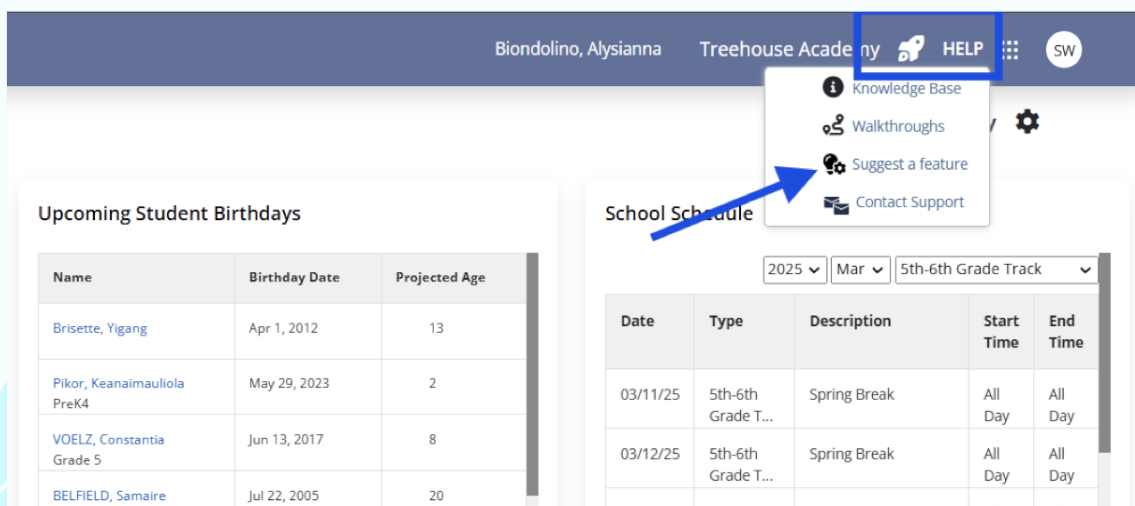

### Submit Feedback and Suggestions with Ease

- Users will now receive alerts and notifications through our improved tracking system. Feedback has been centralized alongside release notes to help us track, update, and communicate more efficiently.
- New functional icons help users identify options and navigate with ease.

HF v9.5.1

## 2. Make Your Voice Heard (Continued)

### Submit Feedback and Suggestions with Ease

- ❖ Go to the "Feedback" tab, add a description, details, and any relevant files (such as images or short videos) to help us understand your input, then click "Create Post."
- ❖ The bell icon (highlighted in the orange box) is where you will receive updates on the feedback you've submitted—such as when it's under review, added to the roadmap, and more.

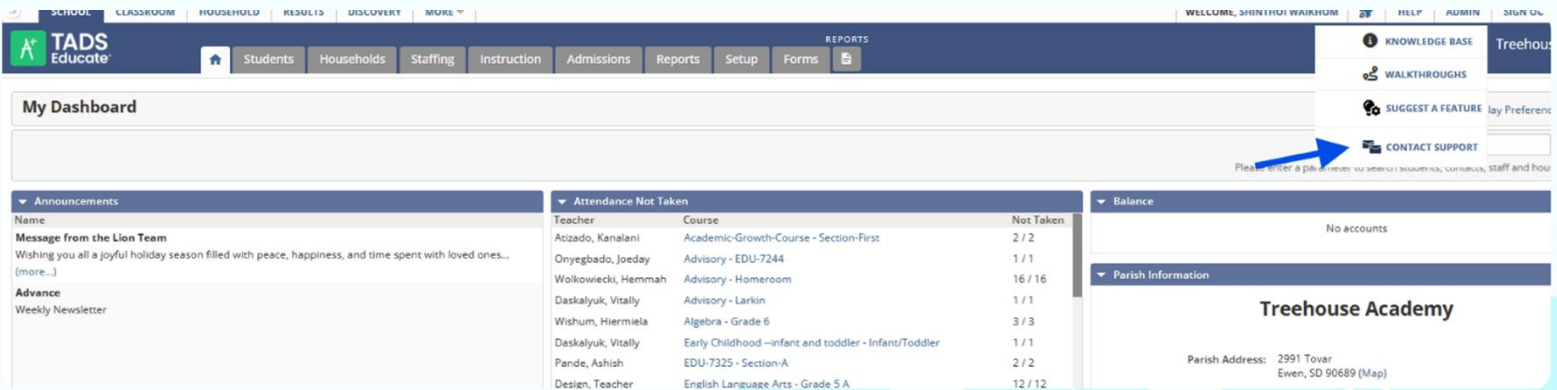

The screenshot shows the TADS Educate interface. At the top left is the "VenturEd Solutions" logo. To its right is a navigation bar with "Roadmap" and "Feedback" tabs; the "Feedback" tab is highlighted with a blue box. In the top right corner, there is a bell icon inside an orange box and a user profile icon labeled "W". Below the navigation bar, the "Educate Feature Requests" board is displayed, powered by Canny. The form for creating a new request includes fields for "Short, descriptive title", "Details" (with a placeholder "Any additional details..."), and a "Category" dropdown menu. At the bottom right of the form, there is a "Cancel" button and a "Create Post" button. A blue box highlights a small icon (a circle with a diagonal line) next to the "Cancel" button, and a blue arrow points to the "Create Post" button. At the bottom of the interface, there is a filter bar showing "Showing Trending posts in All Categories" and a search bar.

### 3. Access Help at Your Fingertips

#### Contact Support Easily

- Introducing the "Contact Support" option, allowing teachers and administrators to easily reach out to our dedicated support team for assistance.

The screenshot shows the TADS Educate dashboard interface. At the top, there is a navigation bar with tabs for SCHOOL, CLASSROOM, HOUSEHOLD, RESULTS, DISCOVERY, and MORE. Below this is a secondary navigation bar with buttons for Students, Households, Staffing, Instruction, Admissions, Reports, Setup, and Forms. The main content area is titled 'My Dashboard' and contains several sections: Announcements, Attendance Not Taken, Balance, and Parish Information. A blue arrow points to the 'CONTACT SUPPORT' button located in the top right corner of the dashboard, next to the 'SUGGEST A FEATURE' button. The 'CONTACT SUPPORT' button is labeled 'Please contact a job or service' and 'SUGGEST A FEATURE'.
