

# The Enrollment Suite by VenturEd Solutions

## Simplifying Systems. Strengthening Outcomes.

Bringing together the proven power of Ravenna®, School and Student Services® (SSS), and TADS®, the Enrollment Suite by VenturEd delivers a connected, end-to-end experience for private K–12 schools across the entire student lifecycle.

Built for independent and faith-based education and backed by decades of expertise, the suite operates as a seamless system that integrates easily with widely used platforms—providing unified support across admissions, financial aid, and tuition management.

The result is a cohesive ecosystem that streamlines operations, accelerates decision-making, and helps schools and families make confident, mission-aligned decisions. By matching student needs with school priorities early in the process, the suite supports stronger yield, healthier retention, and long-term enrollment stability.

## Smarter Decisions Powered by Real-Time Insights

With a powerful layer of business intelligence built into the suite, schools gain a clearer view of who they're reaching, how families progress through each stage, and where aid can make the greatest impact. Drawing from both internal systems and external data sources, this level of insight enhances visibility, informs strategic planning, and enables confident decision-making while also helping schools build stronger communities and stay true to their mission.

### SCHOOLS USING THE SUITE HAVE SEEN:

- Up to 30% more applications
- A 25% faster application process
- A 20% increase in operational efficiency

### FAMILIES BENEFIT FROM:

- One-minute financial aid authorization
- Zero document uploads
- 20% fewer tuition delinquencies

# Confident Enrollment From Start to Finish

## ADMIT, ENROLL, AND RETAIN

Engage families from inquiry to enrollment using intuitive tools and automated workflows that simplify processes and strengthen school-family relationships. With one-minute account creation, schools provide a faster, more confident start.

## POWER FINANCIAL DECISIONS

Integrated financial aid and billing tools help schools identify need, award aid fairly, and manage tuition with precision. Families can authorize IRS-verified tax data in just 60 seconds, reducing paperwork and boosting trust in the process.

## LEVERAGE SUITE-WIDE DATA AND ANALYTICS

See beyond the numbers with insight that blends internal data and third-party sources like demographics and home values. The suite reveals engagement patterns, application flow, and aid impact—helping schools plan strategically, support equity, and connect with the right families.

## KEEP FAMILIES CONNECTED AT EVERY STEP

From admissions to tuition, a unified experience keeps families informed, engaged, and supported. The suite centralizes key interactions so families spend less time navigating systems and more time focusing on what matters.

## SUPPORT STUDENT SUCCESS BEYOND ENROLLMENT

Through secure portals, educators can track progress, manage assignments, and flag support needs early. Built-in tools help schools personalize learning experiences and keep every student on a path to success.
