

Product Sheet

Modern, Flexible Payment Solution for Every School Transaction

From deposits and fees to events, tickets, and donations, CampusPay® makes school payments simple, secure, and convenient. Families can pay on mobile or online, while schools manage everything through a single platform with branded, customizable forms, flexible fee options, and transparent daily funding for complete clarity and control.

A Better Payment Experience for Schools and Families

SIMPLE, MODERN PAYMENTS

Deliver the convenience families expect with secure payments by credit card, debit card, ACH, and digital wallets. Payments work seamlessly online and on mobile devices—so families can pay how and where it works best for them.

CLEAR VISIBILITY & EASY RECONCILIATION

Eliminate guesswork with transparent reporting built directly into CampusPay. See deposits, payouts, and net settlement in one place with daily funding—no monthly invoices, manual tracking, or delayed reconciliation.

CONTROL OVER FEES

Schools stay in control of transaction costs with flexible payer fee options. Choose to absorb fees, pass them on, or offer optional coverage based on the payment type, plan, or scenario—without compromising the family experience.

EXTENDED PAYMENT REACH

Collect payments from outside your school community. CampusPay supports secure payments from public payers, allowing schools to receive funds for programs, events, and services from outside the school community without extra setup or complicated processes.

One Platform. Every School Payment.

TUITION & ENROLLMENT

Deposits, registration fees, enrollment-related payments

PROGRAMS & COURSES

Summer programs, enrichment, after-school care, field trips

ON-CAMPUS SERVICES

Lunch accounts, transportation, before- and after-care

EVENTS & ACTIVITIES

Athletics, performances, ticket sales, fundraising events

DONATIONS & GIVING

Annual fund, campaigns, booster clubs

OTHER FEES

Technology, uniforms, supplies, library fines, graduation, facility rentals

Built for Efficient, Reliable School Operations

DIRECT ACCOUNT MANAGEMENT

Manage bank accounts, refunds, and chargebacks directly within CampusPay. Built-in tools simplify oversight, reduce administrative work, and ensure payments are handled quickly, accurately, and securely.

FLEXIBLE PLATFORM THAT FITS YOUR SCHOOL

Use CampusPay on its own or alongside other VenturEd Enrollment Suite solutions. Payments follow the same reliable processes across admissions, financial aid, billing, and incidental fees—bringing consistency and efficiency to every transaction.

CONSISTENT, BRANDED PAYMENT FORMS

Create professional, branded payment forms in minutes using simple drag-and-drop tools. Customize forms for events, programs, or donations while delivering a consistent, polished experience that reflects your school's brand to promote school recognition and trust.

DRIVE NEW REVENUE STREAMS

CampusPay makes it easy for schools to generate additional revenue without raising tuition or adding fees for families by enabling payments from outside the school community for optional events, programs, and donations.

“

The first year we used CampusPay for our annual drive, we increased donations fivefold over the previous year.

— George Hayes,
Director of Development

Part of the VenturEd Enrollment Suite

CampusPay is part of the VenturEd Enrollment Suite, a connected platform transforming how private K-12 schools manage the enrollment lifecycle. Admissions, financial aid, and billing work seamlessly together, while real-time analytics and flexible workflows streamline operations—giving school leaders more time to focus on families, students, and advancing their school's mission.
